NOVELTY LIST

AZALEA MOLLIS YELLOW-FLOWERING

Seeds collected from yellowing-flowing sort.

1 oz. 7/- ¼ lb. 20/-

CRYPTOMERIA JAPONICA, NORTHERN GROWN

Seeds collected from extrem north of main island of Japan where Cryptomeria plants are scarece on account of severe cold. The seeds collected from such plants should be hardier than ordinally Cryptomeria.

¼ lb. 4/3 1 lb. 12/-

PAEONIA MOUTAN (JAPANESE GARDEN TREE PAEONY)

The seeds we are supplying are gathered from various private gardens where best collections are found. Thus our seeds should contain vast range of colors with good double flowers which only can be found in the cultivated varieties.

¼ lb. 10/- 1 lb. 30/5

PRUNUS SERRULATA SACHALINENSIS DEEP ROSE

Of this Cherry seeds, We collected seeds from private garden. The flowers are very large with deep rose shade. Extremely ornamental.

¼ lb. 6/- 1 lb. 20/-

PRUNUS SERRULATA SACHALINENSIS WHITE.

White-flowering type of the preceeding variety.

¼ lb. 6/- 1 lb. 20/-

RHODODENDRON CHRYSANTHUM

This yellow-flowering Rhododendron seeds, we offered to the trade for the first time. This is rare and hard to collect seeds.

1 oz. 15/- ¼ lb. 51/-

ROSA DAVOURICA

Resembles to Rugosa with red flowers of good size. Extremely hardy and ornamental. Collected from north Manchuria.

¼ lb. 3/- 1 lb. 10/-

SYRINGA JAPONICA (Japanese Tree Lilac)

Well-known Japanese Tree Lilac. We supply clean seeds out of hull.

¼ lb. 11/3 1 lb. 30/-

VIBURNUM CARLESII

True V. Carlesii seeds are rare and seldom offered. As the result of extensive exploration, we are able to supply to the trade true Carlesii seeds in limited quantity.

¼ lb. 10/6 1 lb. 36/-

WISTARIA CHINENSIS MULTIJUGA BLUE

We offer only the seeds collected from true long-spiked trees.

¼ lb. 4/3 1 lb. 12/8

WISTARIA CHINENSIS MULTIJUGA WHITE

Seeds collected from true plants.

¼ lb. 5/8 1 lb. 15/5

WISTARIA CHINENSIS BRACHYBOTIS PURPLE.

Garden variety with very large individual flower but with rather short spikes.

¼ lb. 6/- 1 lb. 20/-

WISTARIA CHINENSIS BRACHYBOTIS WHITE

Same to above but with white flowers.

¼ lb. 6/- 1 lb. 20/-

CHRYSANTHEMUM JAPONICUM FINEST MIXED COLORS

The seeds are collected from great many arden varieties containing great many range of colours though most of them are single. We highly recommend our seeds on account of the most fascinating colours contained.

¼ lb. 20/- 1 lb. 68/-
